This Agreement shall become effective when properly executed by the parties, and shall remain in full force and effect until June 30th, 2020 and shall continue in full force and effect from year to year thereafter until it has been canceled or amended by the giving of sixty (60) days written notice from either party to the other. If amendment is desired, the contents of amendment shall accompany the notice. Changes mutually agreed to may be made at any time. It is the desire of the City and the Union that all parties to this Agreement will cooperate with each other to promote harmonious relations, mutual good will and efficiency, and it is not the intent or desire of either party to engage in any subterfuge, or to evade or circumvent the spirit and intent of this Agreement.

WITNESSETH:

WHEREAS, the parties hereto desire to establish a standard of conditions under which the employees shall work for the Employer during the term of this Agreement, and to provide for rates of pay, hours of work, and other conditions of employment for such employees, to the end that their mutual relations may be regulated, with a view to securing harmonious cooperation, and to provide a procedure for the prompt and equitable adjustment of all grievances and disputes that may arise during the life of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

ARTICLE I

SCOPE OF AGREEMENT AND UNION SECURITY

Section 1.01 – Recognition of Union

The City recognizes Local Union 702 of the International Brotherhood of Electrical Workers as the exclusive bargaining agent and representative of its employees within the classifications of work and/or the employees covered by this Agreement, namely; all City Police Officers, excluding supervisors (i.e. employees with the authority to hire, fire, and discipline bargaining unit employees), elected officials, and others who are employed by the City of Miner, Missouri.

The City recognizes the Union through its accredited officers or representatives as the exclusive agent for those employees covered by this Agreement for the purpose of collective bargaining in respect to wages, hours, fringe benefits and working conditions.

The City shall not enter into any agreement with any individual employee or group of employees in the bargaining unit respecting terms or conditions of employment contained within this collective agreement unless any such agreement is first agreed to by the Union.

Section 1.02 – Agreement Statement

This Agreement shall have effect only on the property of the City and shall govern all work performed thereon by the Police Officers coming under the jurisdiction of the Union.

Section 1.03 – Union Membership

The City agrees that every employee, subject to this Agreement shall, as a condition of employment or as a condition of continued employment, be or become a member of the Union, on or before the 30th day following either the effective date of this Agreement or the completion of their probationary period, whichever is the later, and shall maintain such membership, in good standing, during the life of this Agreement.

Section 1.04 – Non-Discrimination Against Union Members

It is understood and mutually agreed that no member of the Union shall be discriminated against or denied employment because of his/her activities in legitimate matters affecting the Union.

Section 1.05 – No Work Stoppage, Slow-Down, Strike or Lock-Out

The Union agrees there shall be no strike, lockout, slow down or suspension of work, nor shall any item of the City's property be knowingly changed in a manner that it will not function in the way most economical to the City during the term of this Agreement, because of the interpretation or application of the provisions of this Agreement. All such questions or disputes shall be handled in the manner provided for herein. The City agrees that there shall be no lockouts or action knowingly to provoke a strike.

Section 1.06 – Compliance with Applicable State, Federal Law

In the event that any of the provisions of this Agreement shall conflict with any applicable State or Federal Law or presidential regulations, such provisions shall be deemed to be modified sufficiently in respect to either or both parties to the extent necessary to comply with such laws or regulations and the remaining portion of this Agreement shall remain in full force and effect.

Section 1.07 – Successorship Clause

In consideration of the Union's execution of this Agreement, the City promises that its operations covered by this Agreement shall not be sold, conveyed, or otherwise transferred or assigned to any successor without first securing the agreement of the successor to assume the City's obligations under this Agreement. Immediately upon the conclusion of such sales, conveyance, assignment or transfer of its operations, the City shall notify the Union of the transaction. Such notification shall be by certified mail to the Business Manager of the Local Union and shall be accompanied by documentation that the successor obligation has been satisfied. No provisions, terms or obligations herein contained shall be affected, modified, altered or changed in any respect whatsoever by the consolidation, merger, sale, transfer or assignment of either party hereto or affected, modified, altered, or changed in any respect whatsoever by any change of any kind of the ownership or management of either party hereto, or by change, geographical or otherwise, in the location or place of business of either party hereto.

ARTICLE II
SENIORITY

Section 2.01 – Establishment

All new employees will serve a probationary period of six (6) months during which time the City shall be the sole judge of their ability and shall have the sole right to retain or release them. New employees who successfully complete the probationary period and who move from probationary status to regular employee status without a break in service will have their seniority begin with the start of their probationary period.

Seniority for each regularly paid employee who has been employed as such for six (6) months within a period of twelve (12) consecutive months under this Agreement shall begin as of the first day of such employment unless his/her seniority has been broken as hereinafter provided. If his/her seniority has been broken and he/she is re-employed, then and in that event his seniority after having been re-employed for a period of six (6) months within a period of twelve (12) consecutive months, shall begin on the first date of re-employment after his/her most recent loss of seniority hereunder.

The foregoing shall not alter or effect seniority rights such as vacations, sick leave, annuities, or other benefits and privileges to which such regular employee may be entitled for service with the City prior to being employed or re-employed hereunder. It being understood, however, that when an employee's seniority has been broken for reasons as hereinafter provided, and the employee is re-hired, he/she shall have forfeited all accumulated employee benefits and privileges which he/she had accrued during his/her prior service with the City, unless otherwise dictated by plan design and description.

Section 2.02 – Layoff

The Mayor and Board of Aldermen may lay off any employee because of lack of funds or curtailment of work. Layoffs are not disciplinary actions taken against an employee and do not reflect discredit upon an employee's performance. When making a reduction in the number of employees due to lack of work and when re-hiring, the following procedure shall govern:

- (a) Employees who have not established seniority with the City shall be laid off first.

- (b) Thereafter, employees shall be laid off in the inverse order of their established seniority.
- (c) The foregoing provisions of (a) and (b) need not apply when the application thereof would result in the City being required to lay off employees possessed of skill essential to properly perform the work available at the time of layoff not possessed by employees having greater seniority.
- (d) When adding employees, those having established seniority most recently laid off on account of curtailment of work shall be the first among those holding seniority to be re-employed, if available and physically able to return to work, providing they have the qualifications required. If a laid-off employee is recalled to work by the City within twelve months of their layoff, their seniority shall remain intact.

Section 2.03 - Break in Seniority

Seniority shall be deemed to have been broken for the following reasons:

- (a) If the employee resigns.
- (b) If the employee is discharged for just cause.
- (c) If the employee is absent from work without authorized leave except when satisfactory reasons for his absence are given.
- (d) If an employee who has been laid off fails to return to work within three (3) days after being properly notified to report for work and does not give a satisfactory reason for failing to report within this three (3) day period.
- (e) If an employee is laid off for twelve (12) consecutive months, he/she shall, however, not lose his/her seniority if said seniority exceeds twelve (12) months. In all other case where an employee is laid off for more than twelve (12) consecutive months he/she shall not lose his/her seniority unless he/she is laid off for a continuous period equal to the seniority he/she had acquired prior thereto. In the event that an employee with five or more years of service is laid off in excess of five continuous years, then the seniority of such employee shall terminate.

Section 2.04 - Promotions

Promotions shall be made and vacancies shall be filled based on seniority, ability and qualifications. Ability and qualifications being reasonably equal, seniority shall prevail.

- (a) Should an employee deny a promotion, it shall have no effect on his/her future promotions. Should all employees in lower classifications refuse such a promotion the City shall hire an additional employee for the position.
- (b) An employee promoted or hired for a new position, other than a new employee, will be given a maximum of thirty (30) days to demonstrate his/her qualifications and ability to management or, in the case was hired specifically for the position, released from the City's employ. If an employee declines to continue in a job to which he was promoted he/she shall be returned to the position he/she formerly held, subject, however, to the provisions of Article II, Section 2.04, paragraph (a) above, and shall be prohibited to bid on the same type of job for one hundred eighty (180) day period.
- (c) When vacancies occur or when new positions are created within the bargaining unit, the City will post a notice on bulletin boards for a period of five (5) days (Sundays and Holidays excluded) announcing the position open, with a copy of such posting sent to the Union. Employees desiring to be considered shall make written application to the Mayor. When necessary, temporary assignments will be made for the period the position is considered open. The successful bidder will be awarded and assigned to the position within a period of ten days.
- (d) The City retains the right to hire the City Clerk through advertisement and acceptance of applications, of which, bargaining unit employees shall have the right to apply for and receive consideration for such promotion.

Section 2.05 - Leave of Absence

An employee who has established seniority, if he/she can be separated from duty, may be granted a leave of absence upon approval from the City and while on such leave, he/she shall not forfeit any such seniority he/she may heretofore have established provided he/she does not overstay his/her leave or accept employment elsewhere while on such leave without the approval of the City. Consideration for approval under this Section will be granted on a case-by-case basis upon review and agreement by the Board.

ARTICLE III
NEGOTIATION AND ARBITRATION

Section 3.01 – Obligation for Continuous Service

The parties agree that the operations of the City upon which the employees covered in this agreement are to be engaged are essential to the welfare of the community served by it and recognize their obligations to furnish continuous service.

Section 3.02 – Grievance

The City agrees to meet and treat with the duly accredited officers and committees of the Union in the following manner on differences that may arise between the City and the Union:

- (a) Any dispute arising between the employee and/or employees and the City shall be handled in the following manner: The employee and/or employees who believe they have been treated unjustly shall present their grievance verbally to the Chief. A Union steward may be present at this discussion. The written grievance shall be in triplicate.
- (b) The three copies of the written statement of grievance will be presented to the Mayor, who upon receipt of the written statement of grievance will meet with the aggrieved employee and/or employees and the Union Steward and make an earnest attempt to reach a satisfactory settlement. In the event no satisfactory settlement is reached, the Mayor will respond in writing in the space provided for on the grievance form.
- (c) In the event that the grievance has not been satisfactorily settled in (b) of this procedure, the three copies of the written grievance, with the Board of Aldermen's written answer, shall be dispersed in the following manner:
 - One copy shall be forwarded to each member of the Board of Aldermen.

- One copy shall be forwarded to the Business Representative of the Union by Steward, and
- The employee and / or employees shall retain one copy.

Upon receipt of written statement of grievance, the Board of Aldermen and the Business Representative of the Union shall arrange a meeting date to review the grievance and make an earnest attempt to reach a satisfactory settlement. Either party may have a committee present at this meeting. In the event that a satisfactory settlement is not reached at this meeting, the unresolved dispute shall be referred to arbitration as described in Article III, Section 3.03.

Sec. 3.03 – Mediation

Any grievance may be mediated prior to arbitration if mutually agreed to between the parties to the Labor Agreement.

The following rules will be followed for the mediation unless otherwise agreed:

1. Proceedings before the mediator shall be informal, the rules of evidence will not apply and no record of the mediation conference shall be made.
2. The mediator will have the authority to meet separately with any person or persons but will not have the authority to compel the resolution of a grievance.
3. If no settlement is reached, the mediator shall provide the parties with an immediate oral advisory opinion unless both parties agree that no such opinion shall be provided.
4. If no settlement is reached at mediation, the parties are free to arbitrate. If they do so, the mediator may not serve as the arbitrator. Nothing said or done by the mediator may be referred to at arbitration, and nothing presented by either party at mediation may be used against it at arbitration.
5. The Federal Mediation and Conciliation Service (FMCS) shall be utilized for the mediation unless otherwise agreed to between the parties. In addition to the rules outlined in this Section 3.03 – Mediation, the parties further agree to abide by the guidelines asserted by the FMCS.

Sec. 3.04 – Arbitration Procedure

The parties desiring arbitration shall give notice to the other and shall on or before the fourteenth (14th) day following, notify the Director of the Federal Mediation and Conciliation Service (FMCS), Washington, D.C. to send a list of seven (7) arbitrators from which the parties shall alternately strike names to determine the Arbitrator. Upon receipt of such a panel, either party may, within thirty (30) calendar days after the receipt of said panel, reject one (1) such panel furnished, whereupon the party seeking arbitration shall immediately thereafter request the FMCS to furnish a subsequent additional panel of seven (7) names of qualified arbitrators. The Arbitrator shall have no power to add to, subtract from, change or modify any provision of the Agreement. The fees and expenses of the Arbitrator and other joint expenses in connection with the arbitration shall be divided equally between the City and the Union. Should either party desire to make a record of the arbitration hearing, the party desiring the record shall make arrangements for a court reporter, and shall bear the cost of the court reporter, including transcription. The other party may order a copy of the transcript from the court reporter if desired at their own expense. However, if a copy of the transcript is provided to the Arbitrator by one party, a copy shall also be provided free of charge to the other party.

2 Personal Days (12 hours each) – Must be requested 48 hours prior to wanting off.

Employees will be paid double their usual rate of pay when physically working on the actual holiday. If an employee works on a holiday but does not work a full twelve (12) hours, they will be compensated double time for the hours worked and straight time for the remainder up to twelve (12) hours. If the holiday falls on a scheduled day off, the employee will be compensated with twelve (12) hours regular pay. Every attempt will be made to rotate schedules so all employees who are interested will have the opportunity to work on a holiday.
