BROTHERHOOD OF ELECTRICAL WORKERS,
AFFILIATED WITH THE
AFL-CIO

THIS AGREEMENT, made and entered into by and between the Mt. Carmel Public Utility Co., a corporation organized under the laws of the State of Illinois, its successors and assigns hereinafter called the "Company", party of the first part, and Local Union No. 702 of the International Brotherhood of Electrical Workers, hereinafter called the "Union", party of the second part.

WITNESSETH: That for the purpose of facilitating the peaceful adjustment of all disputes which may from time to time arise, and for promoting harmony and efficiency in the departments of the Company represented by the Union, the parties hereto contract and agree with each other as follows:

I RECOGNITION

Sec. 1. Pursuant to certification by the NLRB (Case Number 14-RC-2061), the Company recognizes Local Union 702 of the International Brotherhood of Electrical Workers as the exclusive bargaining agent and representative of its production, maintenance and construction employees. Office, clerical, professional, supervisory and guards, as defined in the Labor Relations Act are specifically excluded from this Agreement. It is not the Company's intention that supervisors out of the bargaining unit shall perform

work normally performed by employees under their supervision to the extent that by so doing the supervisor would in effect replace an employee. This provision shall not be construed to mean that supervisors cannot perform work in an emergency or in the instruction of employees under their supervision.

Sec. 2. It is understood and agreed that no member of the Local Union shall be discriminated against or denied employment because of his legitimate activities in matters affecting the Brotherhood.

II UNION SHOP

Sec. 1. It is agreed by the parties hereto that all present and new employees, also former employees returning to work, shall be and remain or required to become and remain, respectively, members of the Local Union as a condition of employment hereunder, provided that new employees shall be employed subject to a probationary period of four (4) months, during which time the Company shall elect whether the work of the new employee is satisfactory and whether it wishes to continue the employment. The Company shall refer all new or re-employed employees to the local representative of the Local Union for instructions and advice concerning the union shop requirements of this Agreement. The Company shall have the sole right to employ whomsoever it chooses without regard to membership or non-membership in the Local Union except that after said probationary period all new employees shall

become members of the Local Union. At the request of the Company the Local Union shall make reasonable efforts to furnish the Company with such workmen within the classifications herein as the Company may request.

Sec. 2. The management of the Company's operations and the direction of working forces, including the right to employ, promote, discipline, and discharge employees for just cause, is reserved to the Company, subject only to such limitations as are contained in this Agreement.

Sec. 3. Upon receipt of a signed voluntary certificate in writing that they authorize Union dues deductions in the amount provided in the bylaws of the Local Union and in compliance with the constitution of the International Brotherhood of Electrical Workers, and as stated in writing by the Union to the Company from time to time, the Company agrees to deduct from the employee's weekly earnings union dues in the amount provided by said bylaws, the said dues to be paid by the Company to the financial secretary of the Union. The authorization for such deduction shall be in the form of Exhibit "1," a copy of which is attached hereto.

Carmel Public Utility Co. must notify the applicant of this residency/domicile requirement in a writing to be signed by the applicant prior to hiring him or her or else the residency/domicile requirement will not be effective. Sec. 4. The pension plan (defined benefit plan) will be closed to new entrants effective October 20, 2015, so that all employees hired by Company on or after October 20, 2015 will be ineligible to participate in the pension plan (defined benefit plan). Employees participating in the pension plan as of October 20, 2015 will continue to participate in the pension plan and earn

vesting service and benefits as provided for under Sec. 2 and 3 of this Agreement and the plan document.

Sec. 5. A Group Term Life Insurance Policy shall be provided and paid for by the Company for each active employee in the face amount of \$50,000.00. The Paid-Up Life Insurance Benefit, which some employees have, is not affected by this provision.

Sec. 6. Hospitalization and Major Medical Coverage.

Sec. 9. An employee who is unable to work due either to sickness, on-the-job injury or other condition as allowable hereunder, shall report weekly to the Superintendent, the worker's condition and return to work status, including written medical reporting.

Sec. 10. In case of death in the family three working days shall be allowed without loss of pay upon the death of father, father-in-law, mother, mother-in-law, wife, child, step-child, grandchild, sister or brother. One working day off without loss

of pay shall be allowed in the case of grandfather, grandmother, aunt, uncle, stepfather, or stepmother. (Three (3) days may be allowed for these family members if deemed necessary by the employee, and approved by the Company.)

Sec. 11. The retirement benefits in the defined benefit plan shall have a three person Pension Panel, one of whom shall be a member of Union and designated by Union. Employer shall provide employees information from time to time on pension coverage and shall assist with any pension problem growing out of the program.

Sec. 12. An employee performing jury duty during his or her regular scheduled working hours shall do so without loss of pay and shall remit all fees for such except travel and meal expenses to the Utility Co.

Sec. 13. The employer shall continue to pay all costs of the administration of the 401(k) Plan. Beginning January 1, 1997, employer agrees to match 25% of the allowable contribution that the employee makes to his 401(k). Allowable contribution for the purpose of company matching is 15% of compensation. Employee Voluntary Deductible Contributions in excess of 15% of compensation, to the extent they are allowable by law, are permissible but not subject to company match. "Allowable by law" includes but is not limited to "catch up contributions" as indexed for participants 50 years of age and older.

Company will pay into the 401(k) account of employees hired after October 20, 2015, 4.0% of the employee=s annual gross earnings. The contribution for a new hire would be made no later than the third business day after the next January 1 following the end of the first year of employment and after the employee becomes eligible to be included in the 401(k) Plan. Said contribution shall be based on the employee=s prior year's eligible gross earnings as stated. This is in addition to the 401(k) match the new hire receives under the preceding paragraph above.

IX SENIORITY

Sec. 1. Seniority shall mean length of service and ability to do the job and shall be applied on a plant wide basis.

Sec. 2. No senior employee shall be laid off as long as any work is being done by a junior employee which the senior employee can reasonably be expected to do (subject to a training period) providing the senior employee is willing to accept the rate and classification of the junior employee.

When it becomes necessary for the "Company" to reduce its force because of lack of work, employees shall be demoted or released in accordance with straight seniority, which means that the employees with least seniority shall be demoted or released first. When adding to the forces, those most recently demoted or released on account of curtailment of work shall within 18 months be the first to be promoted or re-employed in that group, if

available, within fourteen (14) days, qualifications being sufficient, and provided they are physically qualified to return to work and have previously filed a written application of the "Company" requesting an opportunity to return to work. When an employee is re-employed within 18 months after his release, his seniority shall be restored to its status as of the date of his release. After 18 months lay-off an employee loses all previous seniority rights.

If an employee is laid off or his job is eliminated and he accepts severance pay he gives up all rights and benefits. Severance pay will be one week's pay for each year of employment up to 26 weeks.

The employer will give two (2) weeks' notice before layoff, except temporary employees.

Sec. 3. Jobs shall not be held on a temporary basis longer than sixty (60) days without being posted for bids except as otherwise agreed in writing between Union and the Superintendent.

Sec. 4. Employer may select the employee to fill a temporary vacancy of less than sixty days.

Sec. 5. Only jobs included in the bargaining unit shall be subject to seniority, and employer's right to fill supervisory jobs either from members of the bargaining unit or from outside shall not be abridged.

Sec. 6. If a member of the bargaining unit is elevated to a supervisory job and thus removed from membership in Union, and if such person is subsequently found unsuitable by employer for continuance in such supervisory job, he shall resume the seniority status existing at the time of his removal from the bargaining unit.

Sec. 7. Vacancies shall be filled based on seniority, ability and qualifications. Ability and qualifications being sufficient, seniority shall prevail.

Sec. 8. Successful bidders shall hold job bid in by them over those employees with greater length of service who may have bid for such jobs but failed to qualify therefor.

Sec. 9. The employer shall prepare and keep posted on the plant bulletin board an up-to-date seniority list based on the employer's records.

Sec. 10. Resignation, discharge for just cause, unexplained absence for one week or more, failure to report after fourteen days notice sent by registered mail to employee's last known address calling employee back to work following a period of layoff for lack of work, the voluntary remaining away from work by an employee for one week or more without a leave of absence from employer or being laid off for as much as 18 months, shall forfeit all seniority of such employee.

Sec. 11. In the event an employee covered in this Agreement chooses not to accept a promotion, it shall have no effect on his future promotions.

Sec. 12. Any employee whose seniority date falls on or after January 1, 1978, and who is laid off work due to sickness or injury shall forfeit all seniority rights and his employment shall be terminated if he fails to return to work within the time prescribed or if he is shown to have accepted gainful employment elsewhere during this time. The time period during which such an employee's seniority is protected shall be six months during the first year and after two months of employment, and during the second and subsequent years at the rate of six months for each full year of service computed to his most recent employment anniversary, and shall run from the date of expiration of his accrued sick leave or the date on which all occupational injury benefits are exhausted, whichever is later. The rule shall in no way be interpreted so as to abrogate the rights of any employee under the Company's retirement plan or workers compensation insurance.

X SHOP STEWARDS

Sec. 1. A shop steward shall be recognized for each of the following groups: Electric Department and Gas Department employees.

Sec. 2. Shop stewards will be permitted to handle grievances and such Union business as will not necessitate leaving their jobs without loss of pay.

Sec. 3. The Local Union shall furnish employer with a list of the names of Union Stewards.

Sec. 4. Representatives of Union shall be permitted on the Company's premises for purposes of handling Union business with notification to the Company upon arrival.

XI GRIEVANCE PROCEDURE

Between the employee and shop steward and plant superintendent.

Sec. 2. In case of a failure to agree in this manner, a business manager of the local Union, who may be accompanied by a committee of the employees of the Company, shall endeavor to adjust disagreements with the Labor Relations Committee of the Company. In case of failure to then reach an agreement the matter shall be submitted to arbitration in the manner provided below.

Sec. 3. In case any grievance is not resolved in previous steps, either party desiring arbitration shall give notice in writing to the other party and notify Federal Mediation and Conciliation Service (who will supply a panel of seven (7)

arbitrators). The parties will strike alternately until one (1) arbitrator remains. The party striking first shall be decided by lot. The arbitrator shall be governed by the terms of this Agreement and shall have no power to add to or change the terms of this Agreement. The arbitrator's decision shall be final and binding upon the parties. Each party shall bear its own expenses for preparation and presentation of its case. The expenses of the arbitrator shall be borne equally between the parties.

XII LEAVE OF ABSENCE

Sec. 1. Employees taken into the Armed Forces of the United States shall be deemed on leave of absence with full preservation of their seniority status. Legislation by the Congress of the United States providing that employers shall rehire returning veterans is specifically referred to and made a part of this agreement as fully and to the same legal effect as though written out herein.

Sec. 2. A regular employee shall for justifiable reasons be granted a leave of absence of no more than thirty (30) days without pay after reasonable notice to the Company. During these leaves of absence seniority shall accumulate. If an employee overstays such leave, or if he accepts employment elsewhere during such leave without consent of the Company, he shall be considered to have resigned. Longer leaves may be granted by mutual consent between the employee and the Company.

At no time will an employee be required to perform any hazardous task outside his classification. The Company will not require employees to do construction or maintenance work outside during inclement weather unless such work is necessary to protect life, property or maintain service to the public.

Sec. 2. The Company shall permit Union to continue a Coca Cola dispensing machine on the plant premises.
