ARTICLE II

SCOPE OF AGREEMENT AND UNION SECURITY

Section 2.01 The Cooperative hereby recognizes Local Union 702 of The International Brotherhood of Electrical Workers as the exclusive bargaining agent and representative of its construction, installation, maintenance, and office clerical employees. Professional, supervisory employees and guards as defined in the Labor Relations Act are specifically excluded from this Agreement.

Section 2.02 It is agreed between the parties hereto that all present and new employees, also former employees returning to work, shall be and remain or be required to become and remain, respectively, members of the Local Union as a condition of employment hereunder. The Cooperative shall notify the Business Manager of the Local Union of the date of employment and classification of each new and/or re-employed employee and shall refer them to the representative of the Local Union for instruction and advice concerning the Union shop requirements of this Agreement. All such employees shall arrange with the Local Union for membership thereon on the ninety-first day of employment under this Agreement. The Cooperative reserves the right, at its sole discretion, to discharge an employee within one hundred and twenty (120) working days of the date of initial employment; said one hundred twenty working day period to be defined as a probationary period without being subject to the procedures outlined in Articles IV and V.

Section 2.03 It is agreed that the Cooperative may employ high school/college students at the current minimum wage rate as established by the Federal Law to perform miscellaneous unskilled labor. The high school/college students shall not work more than eight (8) hours in any one day or forty (40) hours in any one week, except that such high school students when working with regular employees who are authorized to continue on the work location on an overtime basis, and no other reasonable transportation is available to return to their reporting location, said high school/college students shall be allowed overtime. High school/college students hired in accordance with this section will not be subject to the other provisions of this agreement.

Section 2.04 It is understood and agreed that no member of the Local Union shall be discriminated against or denied employment because of said member's activities in matters affecting the Union unless such activities result in destruction or attempted destruction of the Cooperative's property.

Section 2.05 In the event that any of the provisions of this Agreement shall conflict with any State or Federal law or presidential regulation, such provisions shall be deemed to be modified sufficiently in respect to either or both parties to the extent necessary to comply with such laws or regulations and the remaining portion of this Agreement shall remain in full force and effect.

Section 2.06 Any written notice to be given under this Agreement shall be deemed properly given when deposited in the United States Post Office under Certified Mail addressed to the last known address.

Section 2.07 The Company and the Union will continue to support their policies of nondiscrimination against any employee in terms, tenure or conditions of employment

of Union membership because of race, color, sex, age, religion, creed, or a national origin. Masculine pronouns and nouns as used in this agreement shall be construed to mean employees of either sex.

ARTICLE III

SENIORITY

Section 3.01 Seniority for each regularly paid employee who has been employed as such for one hundred twenty (120) working days within a period of twelve (12) consecutive months under this Agreement shall begin as of the first day of such employment unless his seniority has been broken as hereinafter provided in Section 3.03. If his seniority has been broken and the employee is re-employed, then and in that event the employee's seniority after having been re-employed for a period of one hundred twenty (120) working days within a period of twelve (12) consecutive months, shall begin on the first date of re-employment after his most recent loss of seniority hereunder.

Section 3.02 When making a reduction in the number of employees due to lack of work and when re-hiring, the following procedure shall govern:

- (a) Employees who have not established seniority with the Cooperative shall be laid off first.
- (b) Thereafter, employees shall be laid off in the inverse order of their established seniority.
- (c) The foregoing provisions of (a) and (b) need not apply when the applications thereof would result in the Cooperative being required to lay off employees possessed of skill essential to properly perform the work available at time of the layoff not possessed by employees having established greater seniority.
- (d) When adding employees, those having established seniority most recently laid off on account of curtailment of work shall be the first among those holding seniority to be re-employed, if available, and physically able to return to work, provided they have the qualifications required.

Section 3.03 Seniority shall be deemed to have been broken for the following reasons:

- (a) If the employee resigns.
- (b) If the employee is discharged for just cause and not reinstated.
- (c) If an employee has been laid off or performed no work for any reason for more than eighteen (18) continuous months.
- (d) If an employee who has been laid off less than eighteen (18) months fails to return to work within three (3) days after being properly notified to report for work and does not have a satisfactory reason for failing to report. It is the sole responsibility of such employee to keep the Cooperative advised of their proper address.
- (e) If an employee is absent from work without authorization and fails to give a reasonable and satisfactory reason thereof.

Section 3.04 Promotions by job bidding shall be based on seniority, ability and qualifications. Ability and qualifications being sufficient, seniority shall prevail.

- (a) Should an employee decline a promotion, it shall have no effect on said employee's future promotions.
- (b) An employee promoted to a new position will be given a reasonable opportunity to demonstrate his qualifications and ability. If said employee does not qualify, in a reasonable time, he shall be returned to the position he formerly held.

Section 3.05 When vacancies occur or when new positions are created within the jurisdiction of this Agreement, the Cooperative will post a notice on the bulletin boards for a period of five (5) days (Sundays and holidays excluded) announcing the position open. If an employee is on vacation during the posting period, the Cooperative agrees to notify the employee of the posting. Employees desiring to be considered shall make written application to the Manager. When necessary, temporary assignments will be made for the period the position is considered open. If no applications are received, at

the Cooperative's option, the position may remain vacant, or the position may be filled by employment.

Section 3.06 An employee who has established seniority, if he can be separated from duty, may be granted a leave of absence upon approval from the Cooperative and while on such leave, said employee shall not forfeit any such seniority he may heretofore have established provided he does not overstay his leave or accept employment elsewhere while on such leave without the approval of the Cooperative.

Section 3.07 An employee who is injured while engaged in the course of and within the scope of his employment by the Cooperative shall continue to accumulate seniority for up to eighteen (18) months and upon recovery shall be reinstated to his former position with full seniority providing he makes application to return to work within one (1) day after he is pronounced recovered by his physician and if he is physically qualified to return to work.

Section 3.08 The Cooperative and Union may, by mutual agreement, suspend or alter the provisions of this Article in case of mutual desire to provide employment for an employee who has been partially disabled while in the employ of the Cooperative on or off duty while on authorized leave serving in the United States military service.

ARTICLE IV

SETTLEMENT OF DIFFERENCE

Section 4.01 In the event of any disagreement arising between the

Cooperative and any employee or employees, such disagreement shall first be presented by such employee or employees, preferably accompanied by the Union Steward, to the Manager of the Cooperative.

Section 4.02 In case of failure to reach agreement within 48 hours of its submission under Section 4.01 above, The Manager of the Cooperative will meet with the Business Manager and/or a Business Representative of the Union to attempt to reach agreement.

Section 4.03 Differences of an emergency nature shall be handled with the speed which the circumstances warrant.

ARTICLE V

ARBITRATION

Section 5.01 Any difference not settled under Section 4.02 of this Agreement, may at the request of either the Cooperative or the Union, be submitted to arbitration.

Section 5.02 The party requesting arbitration should notify the other party by certified mail, and shall, on or before the fifth day following, designate one representative and advise the other party of such designation. The other party shall, on or before the fifth day following receipt of such notice, designate one representative and advise the first party of such designation. The two representatives so appointed shall constitute a Board of Arbitration and shall meet promptly and endeavor to decide the matter or matters submitted, and in case of a failure to reach a decision within five days (Sundays and Holidays excluded), the two shall select a third member to act as Chairman of the Board.

Section 5.03 In the event the arbitration board cannot agree on the third arbitrator within five days, either or both parties may request the Federal Mediation and Conciliation Service, Washington, D.C., to submit a list of seven (7) names. The Cooperative and the Union shall alternately strike six (6) of the seven (7) names. The remaining name shall be the Arbitrator.

Section 5.04 It is agreed that a majority decision rendered by a Board of Arbitration under this Article shall be final and binding on both parties.

Section 5.05 The parties hereto shall bear the expense of their own arbitrators, and the compensation and expense of the third arbitrator shall be borne equally by the Cooperative and the Union.

Section 5.06 In view of the above procedures which assure a fair and impartial settlement of all differences, the Union agrees that it will not call upon employee members to cease or abstain from the continuous performance of their respective duties with the Cooperative; and the Cooperative agrees that it will not do anything to prevent such continuity of performance of said employees insofar as such services are required in the normal and usual operation of the Cooperative's business.

The employee must report such death and make his request for leave to the Manager prior to taking the time off allowed under this Section. Time received under this Section shall be deducted from the accumulated time granted under Section 9.01.

Section 9.05 Employees will be allowed to use accumulated time granted under Section 9.01 for doctor/dental appointments, and illness for the employee. The employee will be allowed seven (7) days of the accumulated time for doctor/dental appointments and illness for the employee's spouse, children, father and/or mother with approval of their supervisor. This time may be used in 30 minute increments. If the seven (7) days

are used, the employee will have the ability to use vacation time, with management approval.
